If your circumstances have changed and you wish to discuss, in confidence, different ways of funding your membership fees, please call me. A sub-committee of 3 members will confidentially consider each request on its own merits.

If you are joining part way through the year you are eligible for a 'pro-rata' membership rate – see enclosed chart. Please indicate the fee you are paying on the application form and in which month you are starting your membership.

In addition to your club membership fee is the compulsory ASA (Amateur Swimming Association) registration fee. When you complete the ASA registration form please ensure that you read the data protection consent statement on the reverse of the form. ASA registration gives the club and its member's ASA affiliation status and Public Liability insurance cover. The ASA website www.britishswimming.org has useful information on Long Term Athletic Development.

Please note that the club coaches responsibility for the swimmers ends at the end of the squad session and parents are reminded that for reasons of safety swimmers should be picked up on time.

If you are using a large letter envelope to return your application forms, to ensure safe receipt, please make certain the correct postage is paid.

Yours sincerely

Mandi Cooper
